

4Life Transfer Factor® MalePro®

Healthy Prostate Support

- Supports prostate health and urinary function
- Provides endocrine system support for men
- Features Targeted Transfer Factor® technology
- Provides antioxidant support

What is 4Life Transfer Factor MalePro?

4Life Transfer Factor® MalePro® is a Targeted Transfer Factor product specifically formulated to support men's prostate health. Rich in ingredients scientifically studied to promote endocrine and reproductive system health, including Saw Palmetto, Lycopene, Isoflavones, and others. 4Life Transfer Factor MalePro helps maintain proper cell growth, healthy urinary function, and overall prostate health.

Did You Know?

The prostate gland is a vital part of a man's endocrine and reproductive systems. It is about the size of a walnut and sits under the bladder, surrounding the urethra.

PRIMARY SUPPORT:

Male support

SECONDARY SUPPORT:

Immune
Antioxidant

Key features

- Features Targeted Transfer Factor technology to provide immune system support.
- Provides the antioxidant benefits of Lycopene and

Selenium to help fight naturally occurring free radicals and promote prostate health.¹

- Includes the wellness benefits of Saw Palmetto, known for its specific support of prostate health and urinary function.²
- Blended isoflavones from Kudzu and soy, have been shown to promote prostate health and help maintain healthy functions throughout the body.³
- Includes additional ingredients to promote prostate health such as: Zinc, Nettle, Broccoli, Pygeum, and Calcium D-glucarate.
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats.
- Ensures exclusivity with protective United States patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks).

DIRECTIONS: Take three (3) softgels daily with 8 oz of fluid.
